YEAR 9 TRIP TO MADRID – READ MORE ON PAGES 4-6

IN THIS ISSUE

80th Anniversary of the D-Day landings, 6th June 2024

"That road to VE Day was hard and long and travelled by weary and valiant men. And history will always record where that road began. It began here, with the first footprints on the beaches of Normandy"

President George Bush, on the 60th Anniversary of D-Day

This year is the 80th Anniversary of the D-Day landings; the largest seaborne invasion in human history; and one that led to Victory in Europe (VE day) and the defeat of Nazi Germany. We owe the men and women who took part in the invasion of occupied France, in Normandy, the very freedoms we enjoy today. This week we remember

those British, American, and Canadian soldiers who gave their lives during the landings; as well as honouring the veterans who, in their nineties and hundreds, are still with us.

A series of solemn and spectacular events honoured the bravery and sacrifice of those who fought in one of the most pivotal moments of World War II. Organised by the Ministry of Defence and the Royal British Legion, the commemorations were a fitting tribute to the heroes of the past.

For the 80th Anniversary, the Sea Cadets will be the senior cadet force from the UK taking part in the parades and events. RET's CEO Colin Mackinlay, was awarded the extraordinary honour of being the Commanding

Officer of TS Royalist, the flagship of the Sea Cadets, for these historic celebrations. Mr Mackinlay commanded the TS Royalist for the ferry escort out of Portsmouth, led the Sea Cadet involvement in both the commemorative event and the act of remembrance, and directed the TS Royalist's contributions afloat, during the ceremonies.

This year's ceremonies began on June 4th, with an extraordinary display of homage and respect. The TS Royalist led the procession, escorting a ferry carrying Normandy Veterans from Portsmouth across the Channel. This poignant journey not only bridged the generations but also served as a vivid reminder of the past sacrifices made for freedom and democracy. As the veterans made their way across the water, the skies came alive with the Royal Air Force Battle of Britain Memorial Flight performing a flypast. Simultaneously, Royal Navy ships stationed in Portsmouth Harbour sailed in formation, their sirens sounding in unison, in a powerful display of military precision and respect. The evening of June 5th saw the Commonwealth War Graves Commission's Bayeux War

Cemetery transformed with a spectacular light show. This event also featured a vigil held by Cadet Forces and members of the Armed Forces. In a touching tribute, the names of the 25,000 fallen personnel commemorated at the cemetery were read aloud. On June 6th, the focus shifted to the British Normandy Memorial in Ver-sur-Mer, where the UK's national commemorative event took place. This solemn ceremony included the traditional acts of remembrance such as the playing of the Last Post and observing a two-minute silence. This provided a moment of grateful reflection about the sacrifices made in June 1944. More than 1,600 members of the Armed Forces led the commemorations in France, supported by an array of military assets including a Royal Marines landing craft, five Royal Navy patrol vessels, minesweeper HMS Cattistock and three Sea Cadet vessels, as well as a stunning display by the British Army's Red Devils parachute display team. I hope that we, as the younger generations who have benefitted from the sacrifices of D Day, will continue to learn the lessons of history, and join with the Normandy Veterans and many others in saying "We will remember them".

Lastly, you may be aware that certain characters have been double cast again this year. We found this a successful approach last year when producing School of Rock and have repeated it this year. Double casting enables more students to experience undertaking a larger role. Therefore, students have been grouped into two casts: a purple and gold cast. They are aware of which cast they are a part of. The casts will be called in the following order for the performances:

Monday matinée: GOLD CAST

(Primary School performance, no tickets on sale)

Monday evening: PURPLE CAST

Tuesday evening: PURPLE CAST

Wednesday evening: GOLD CAST

We look forward to seeing you!

Year 9 – Madrid Trip

Year 9 recently returned from an unforgettable trip to Madrid, filled with cultural exploration, educational experiences, and thrilling adventures. Throughout the trip, the weather was splendid, adding to the overall enjoyment of the experience. The sunny skies and warm temperatures were the perfect backdrop for all the activities planned.

The trip commenced with a visit to the iconic Santiago Bernabéu Stadium, home to the renowned football team, Real Madrid. Students were captivated by the rich history of the stadium and the achievements of the club. We then took a tour around the Prado art museum and viewed some of the world's most famous paintings.

We then headed off for our rescheduled flamenco show and were treated to an excellent display of traditional music and dance.

A day at Parque Warner Madrid added an extra layer of excitement to the trip. The students enjoyed the thrilling rides, entertaining shows, and character encounters at this popular amusement park, creating memories that will last a lifetime. It was lovely to see how students were helping their friends conquer their fears and encourage each other onto the big rides.

The trip also included a walking tour of Madrid. We were able to see the Royal Palace, where students marveled at the grandeur and intricate details of one of Europe's largest palaces. We then explored one of Madrid's famous food markets, Mercado de San Miguel. Students had the opportunity to taste traditional Spanish cuisine and learn about the vibrant food culture that makes Madrid a gastronomic hotspot. The bustling atmosphere of the markets was a feast for the senses. The visit to the Royal Cathedral was equally inspiring. The students admired the stunning architecture and soaked in the serene atmosphere of this significant historical and religious site.

on this trip will be cherished by all who attended. We look forward to more such enriching experiences in the future, continuing to broaden the horizons of our students and enriching their educational journey.

**Miss Morgan
Head of Year 9**

The conduct of the Year 9 students was exemplary. Their behaviour was commendable, reflecting the values and standards of our school. It was a pleasure for the teachers and staff to accompany such well-mannered and enthusiastic students.

This trip to Madrid was not only educational but also provided an opportunity for the students to bond and create lasting friendships. The memories made

Here is what some of the students had to say:

During the Madrid trip we got to experience and learn about the culture of Spain. For example we saw a flamenco show that consisted of very talented dancers. My favorite part of the trip was spending time with my friends and building closer relationships with the people from my school. I had such a lovely time and really enjoyed learning more about Spain.

The Madrid trip was very educational, and I learned a lot, I was also able to put into practice the advice from Mr Scott-Evans. 'Early is on time, on time is late and late is unacceptable'.

Jacob Rolfe – 9AC

I learned a lot from the monuments, but my favourite trip was to the theme park.

Harvey Saunders – 9WW

The favourite part of the trip for me was heading out into the city in the evening to do some late-night shopping. I appreciate all the staff giving up their time so that we could have this opportunity.

Lucie Saunders – 9HS

My favourite part of the trip was the visit to the Santiago Bernabéu. It was really interesting looking at the history of the club.

Late Gate

*Early is on time,
On time is late,
And late is unacceptable!*

At Becket Keys, we look to ensure that we are preparing students for life beyond school. We encourage students to attend school regularly and on time.

Remember that the school gate closes at **8.25am**. This allows students enough time to be at their first lesson on time. Period 1 begins at 8.30am.

Brentwood can be tough to negotiate during rush hour, so we encourage students and parents to contact the school in the case of **genuine** lateness, such as delayed public transport.

Parents can call the main school line 01277 286600 or use the “Studybugs” app.

We thank you for your support.
