## IN THIS ISSUE

**Mr Scott-Evans writes.....**

### Join the Team!

I would like to thank the parents who wrote in recently to offer support to our extra-curricular sport programme I would like to ask for those who are interested to fill in an application form so we can do the necessary safeguarding checks.

[Becket Keys Volunteer Application](#)

We are also looking for volunteers to help in other departments. Please make it clear on your application where you think you could help.

Those of you looking for a paid role may be interested in starting as a volunteer and then moving

across to paid work. Again, please fill in the application form and let us know what areas you are interested in.

One area we are looking to recruit at the moment is for the special needs department learning support technician team. Please see the advert on page 2.

If you are interested in learning more about this sort of work, please write to our SEND department via the staff portal:

<https://becketkeys.org/contact-staff> or email: [office@becketkeys.org](mailto:office@becketkeys.org).

## Meet Another New Member of Staff

We are delighted to welcome another new colleague to Becket Keys.

### Miss Linyan Tian Mandarin Teacher

I'm excited to be back at Becket Keys as the new Mandarin teacher after completing my placement here. During my time as a trainee, I was so impressed by the professionalism of the teachers, the politeness of the students, and the overall support from the school. It's these experiences that made me want to start my secondary school teaching journey right here at Becket Keys.

I hold a Master's degree in Chinese Language and Culture and have had the privilege of teaching Mandarin in various esteemed educational institutions across the UK, China, and Europe. Before starting my PGCE at UCL's Institute of

Education, I worked as a Mandarin teacher and course coordinator at Peking University. There, I helped students from all over the world enhance their Mandarin and gain real exposure to Chinese language and culture through exchange programmes.

When I'm not teaching, I enjoy spending time with family friends but also really value my alone time, especially when I can relax with some music and a good book.

I feel so fortunate to be joining the Becket Keys community again and can't wait to get to know everyone better this year!

## LOST PROPERTY

Please make sure that **EVERY** item of uniform, PE Kit and equipment is named. There are over a thousand students at the school all wearing the same uniform.

There are many items that we are unable to return as we do not know to whom they belong.

Lost Property can be collected from Reception.

Remember that all correspondence to the school must come through the school office email:

[office@becketkeys.org](mailto:office@becketkeys.org)

Your message will be forwarded to the member of staff concerned.

You can also send a message via the contact page on the website:

<https://www.becketkeys.org/contact-staff>

You can also now reply directly to any message you receive from the school via Bromcom, just hit the reply button and it will go to the office.

Students can contact their teachers via Satchel One if they have any queries regarding their lessons.

Please do not email staff directly as any message received in this way will not receive a response.

Many thanks for your understanding.

# China's Teachers' Day

In China, Teachers' Day falls on 10<sup>th</sup> September. Teachers do not normally have the day off, but it is a day that they are showered with students' gratitude and appreciation.

This year, the Mandarin Excellence Programme students took the chance to do a project on China's Teachers Day. The KS3 students were given a task of designing a teachers' day card and write a short message in Chinese characters.

We were very impressed with their work, especially those from Year 7: even though they have not learnt many Chinese characters yet, they have made a lot of effort to research words and attempted to write them on their cards.

Here are some of the excellent examples from each year group.

## Science Club

Towards the end of last year, the students attending science club completed their Bronze CREST award. Students worked in groups to plan and run a project addressing a real-world STEM problem. Our students chose to explore insulating materials, and they completed practical tasks along with research each week to investigate their question. Students were assessed against the CREST award criteria in order to win their award. Our successful scientists were Thomas Head, Ariz Hassan, Dhillon Demots, Gabriel Maleki and Ethan Hart.

The students were supported with a fantastic group of 6th form students who ran science club all year and helped students along the way. These students were Matthew Stephens, Max Barton, Orla Clark and Matthew Tilbrook. They did a fantastic job all year and are a massive part of the success our science club has had.

KS3 science club will be starting again shortly with all Year 7, 8 and 9 students very welcome. We will be doing lots of fun practical activities we do not get to do in lessons. Hopefully there will be another opportunity this year for committed students to gain a CREST award!

The start of the new school year is a great time to take on a new challenge. According to British concert piano James Rhodes, *'learning an instrument can unlock a door to a new dimension that we didn't know existed'*.

We offer tuition in a wide range of musical instruments including voice and offer a large enrichment programme with something for everyone.

We offer instrumental tuition in the following instruments:

Violin	Saxophone	Drum Kit	Cello	Trumpet	Piano
Flute	Trombone	Electric/Classical/Bass Guitar	Clarinet	Voice	

How to apply

If you are interested in applying for instrumental lessons, please email the school and this will be dealt with by the music department. You will then receive an email from the instrumental tutor to discuss times and costs. Lessons times will be arranged by the instrumental tutor and be on a rotating timetable to minimise time missed in other curriculum lessons. It is the responsibility of your son/daughter to catch up on any work missed.

The library is open for you to:

- Come and borrow or return books,
- Get help on finding a book you might enjoy reading,
- Sit and read,
- Discuss books with other students.

## Late Gate

*Early is on time,  
On time is late,  
And late is unacceptable!*

At Becket Keys, we look to ensure that we are preparing students for life beyond school. We encourage students to attend school regularly and on time.

Remember that the school gate closes at **8.25am**. This allows students enough time to be at their first lesson on time. Period 1 begins at 8.30am.

Brentwood can be tough to negotiate during rush hour, so we encourage students and parents to contact the school in the case of **genuine** lateness, such as delayed public transport.

Parents can call the main school line 01277 286600 or use the "Studybugs" app.

We thank you for your support.

Brentwood Foodbank. Facilitated by Doddinghurst Road Community Church  
Registered Charity Number: 1171227

As in recent years, Becket Keys will be responding practically as well as prayerfully as we remember those who do not have the assurance of going to bed on a full stomach. We will be collecting non-perishable food items for the Brentwood food bank who will distribute them to people in need around the area. Foodbanks provide people with around three days of shopping. In order to help people eat balanced meals, they need to collect a range of items.

Donations can be brought into reception and added to the Harvest collection or given in to form tutor.

Full details will be sent to all parents

Career Days give students an online insight into different careers that might appeal to them, advice on subject choices and how to apply to university, followed by work experience in the afternoon to help them see what the career may be like. Students will receive a certificate confirming their online work experience.

Students who are aged 13-18 can register to join the online days by visiting [www.careerdays.co.uk](http://www.careerdays.co.uk)

The schedule is as follows:

**Midwifery Career Day** - Saturday 21st September 2024

**Medicine Career Day** - Saturday 5th October 2024

**Dentistry Career Day** - Sunday 6th October 2024

**Business Career Day** - Saturday 12th October 2024

**Psychology Career Day** - Saturday 19th October 2024

**Architect Career Day** - Saturday 26th October 2024

## YOUTH SERVICE

# Join the Young Essex Assembly (YEA) and make a difference!

Are you passionate about making a change in your community?

Do you want to have your voice heard and represent young people across Essex?

Then the Young Essex Assembly (YEA) is the place for you!

### What is the YEA?

The Young Essex Assembly is the elected Youth Council for Essex. Every two years, 75 young people from all districts of Essex are elected to join the YEA. Together, they:

- **review priorities:** identify what matters most to young people
- **consult and campaign:** engage with peers, adults, organisations, and decision-makers
- **drive change:** ensure young people's voices are included in decisions at all levels

### Why join the YEA?

- **make an impact:** be a part of real change in your community and beyond
- **boost your confidence:** develop public speaking, leadership, and teamwork skills
- **expand your horizons:** gain new experiences and meet people from all across Essex
- **personal growth:** grow your personal and social skills, preparing you for the future

### Who can join?

Any young person aged between 11 - 19 or up to 25 if you have additional needs, living or going to school in Essex can stand for election to join the YEA. We want voices from every district to make sure everyone's views are represented.

### How to get involved

1. **Stand for election:** Put yourself forward and tell us why you should be part of the YEA.
2. **Vote:** Encourage your friends and peers to vote and make their voices heard.

Closing date for applications **31 October 2024**

### Year 10 - Girls' Netball

The Year 10 girls' netball team put on an outstanding display of skill and determination to secure third place in this highly competitive District Rally. The girls showed incredible teamwork, their movement on and off the ball was sharp, and they capitalized on turnovers with swift transitions.

The team collectively gave player of the rally to Maddie Moon for her excellent defending, getting crucial interceptions and non stop hard work. Well done team!

### Student Achievement Evie Parrish – Year 7

Evie Parrish was participating in a British Showjumping competition in Wales last weekend.

# Year 11 Girls' Netball

On Tuesday the year 11's played a strong game against Brentwood Ursuline. Our netballers played with great determination and competitive attitudes. Individual skill and ability was clear to see.

We did not win the game but our defence was on fire, and for this reason, Esme received the oppositions player of the match and Ellie received coach's player. I look forward to seeing the girls at training to develop team work and set plays.

## Astro Turf

- A new astro turf has been installed over the summer.
- You **must** be wearing **trainers** to be on the astro turf. **No school shoes** are allowed, and you will **not** be allowed to play in just your socks.
- Either:
  - change into your trainers at the start of lunch, before you go to the astro turf,
  - or change into your trainers on the grass slope before you enter the pitch.
- Please keep your school shoes in a bag during lunch time.
- The whistle for the end of lunch will go slightly earlier to allow you time to change back into your school shoes and be on time for your next lesson.
- As always, no food or drink on the astro turf.
