

The POWER of PRAYER

Becket Keys Church of England School

13th June 2025

IN THIS ISSUE

Staying Connected

As we move through exam season and look ahead to the end of term, it's easy to feel stretched, tired, or even a little overwhelmed. Whether you are revising for your final exams, preparing for performances, training for athletics, or helping raise funds for our new school minibus, it is a busy time for everyone.

Recently, during a church prayer meeting, a story was shared that really stuck with me and I think it has something to say to us all.

At the turn of the 20th century, a wealthy but frugal woman had electricity installed in her home. A few weeks later, a meter reader visited and noticed she had barely used any power. When asked about it, she replied, "Oh yes, I turn on the lights every evening,

just long enough to light my candles. Then I turn them off again."

She had access to a powerful new energy source, but she was not using it to its full potential.

This story reminds us of the power we have access to. I am not talking electricity, but something even greater: the power of prayer and the presence of God through the Holy Spirit. Pentecost, which we recently celebrated, marks the moment when the Holy Spirit was poured out on the early church, giving them boldness, strength, and guidance. That same Spirit is available to us today.

In 1 Thessalonians 5:17, we are encouraged to "pray continually." That doesn't mean we have to be on our knees 24/7, but it does

mean staying connected, bringing our worries, hopes, and thanks to God throughout the day. Just like we would not only charge our phones for 30 seconds a day, we should not only turn to God in emergencies. He invites us to stay 'plugged in'.

So, whether you are facing a tough exam, helping with a fundraiser, learning lines, rehearsing your instrument for a concert, improving your times on the athletics track, or just trying to get through the week, remember: you are not alone. You have access to a source of strength, peace, and wisdom far greater than your own.

My constant prayer is that we will be a school community that supports one another, prays for one another, and stays connected to the source of true power.

During this slightly longer weekend, as the staff have two INSET days, I hope that you can find a bit more time than usual to pray and seek the Holy Spirit in your life.

Enjoy the weekend!

Headteacher

Tribute to Isabel Taylor

It is with great sadness that we share the news of the passing of Isabel Taylor, a cherished former student of Becket Keys Church of England School, who graduated in June 2023. Isabel died on Saturday 24th May after contracting bacterial meningitis the day before, while studying Psychology and Criminology at the University of Brighton.

Isabel joined us from St John's School and quickly became a much-loved member of our community. She was known for her gentle nature, her kindness, and her dedication to her studies. Always polite, thoughtful, and respectful, Isabel was a shining example of the values we hold dear at Becket Keys.

She worked incredibly hard and achieved excellent A Level results, a testament to her determination and quiet strength. Her teachers remember her as a joy to teach; she was diligent, gracious, and always willing to support others.

We have been remembering Isabel in our prayers, staff meetings and in times of Collective Worship and will continue hold her and her family in our thoughts. We are also grateful to her family for allowing us to share this tribute and, with their permission, we include a photograph of Isabel in this article.

Isabel's legacy will live on in the

hearts of those who knew her. She will always be remembered at Becket Keys with love, admiration, and deep respect.

Please join us in keeping Isabel's family and friends in your prayers during this difficult time.

Loving God,

*We come before You with heavy hearts,
grieving the loss of Isabel, one of
our former students.
Taken so suddenly by illness while
at university,
her death has left us shocked and
saddened.*

*We entrust Isabel into Your eternal
care.
Hold her in Your mercy, surround
her with Your peace,
and welcome her into the fullness
of Your presence.*

We pray for her family and friends

The Taylor family have setup a memorial page for Isabel, which includes service and wake details, and rather than flowers they are asking for donations to Meningitis Now, which can be made through the memorial page:

[Tribute to Isabel Taylor, 2005 - 2025](#)

Meningitis Now is the first meningitis patient group in the world, and the only charity dedicated to fighting meningitis in the UK.

COMPETITION

English Interhouse Competition Round 5

This year we have launched a new English Interhouse Competition. Over the course of this school year, students will have had six opportunities to earn points for their house in an attempt to be the overall winner of the English Competition. Each term, we have enjoyed one round of this competition for Year 7 and 8.

Round 5 was to write a letter to an author explaining why they enjoyed their book so much. There were a good number of entries, which made judging very tough but eventually a decision was made.

Year 7

1st Place

Joshua Battershall (7HS)

2nd Place

Ethan Wilson (7WW)

3rd Place

Aanvi Pramod Jain (7EW)

FINAL TERM

DOUBLE POINTS ROUND!

The last round of the house competition for Year 7 this year and we would like you to write and present a one-minute speech about the best or most important thing that has happened in Year 7.

Was it your first day at Becket Keys?

Was it the residential trip you attended?

Was it a sporting event?

Is it the friendships you have made?

Finding a new subject you love to learn?

Miss White will be listening to all those who enter on the dates below.

Round 6 of our Interhouse competition was launched this week. The task is to deliver a 1-minute speech on the best thing or most important thing that has happened in Year 7. Students will find guidance on this in News for the Day, which their form tutors will show them.

To enter, students will need to prepare and then attend Library A in any of the slots below and deliver their speech to Miss White.

- Tuesday 1st July
Lunchtime
- Thursday 3rd July
Breaktime
- Monday 7th July
Lunchtime

The Year 7 tutor groups need to try and catch 7FS who are in the lead with 141 points! However, there is everything to play for as the final round can earn your form double points if you are one of the winners!

Remember you get points just for entering, so every entry really does count. This round is double points so the whole leaderboard could be shaken up. I am looking forward to hearing all the speeches.

Volunteers for Year 10 Mock Interviews 10th July 2025

As part of our 10th July Enrichment Day, we are excited to be running a Mock Interview Day for our Year 10 students. We would be incredibly grateful for your support as a volunteer interviewer.

The day is designed to give students a real taste of what to expect in a professional interview setting. Each student will arrive with a CV and a generalised job application, which you will have the opportunity to discuss with them. You will also be provided with feedback forms and guidance materials in advance to support your conversations with the students.

There will be three sessions throughout the day:

- Session 1: 8:45am – 10:25am
- Session 2: 10:50am – 12:30pm
- Session 3: 1:30pm – 3:10pm

In each session, you will meet two students, spending approximately 20 minutes with each.

We would be delighted if you are able to join us for the full day – lunch and refreshments will be provided – but even if you can attend just one session, your support will be greatly appreciated.

This is a fantastic opportunity to help prepare our students for life beyond the classroom, and your time and expertise can have a real impact on their confidence and future success.

If you are available to help or have any questions, please e-mail careers@becketkeys.org. Thank you so much for considering supporting our students as part of this important day.

Parents can call the main school line 01277 286600 or use the "Studybugs" app to report genuine lateness. We thank you for your support.

Book of the Month - June

There's a war going on out there, and I'm missing it.

When war comes to London in 1939, Ronnie Smith is scared and excited: scared of the bombs that fall at night, but excited to race his friends to collect the best bits of shrapnel every morning.

But for Ronnie, the battles aren't just in the sky and on the streets. They're at school and at home too. His little brother is up to no good with a secret job and dangerous new friends, and Ronnie's worried he's getting himself into big trouble.

Ronnie's desperate to help his little brother. But he isn't expecting to uncover secrets that could change the fate of the whole war...

Please make sure that you top-up your son or daughter's account each week so that he/she is able to access all the delicious meals in the school restaurants.

There is a small overdraft facility on ParentPay accounts of £2 for emergency situations, which covers the cost of a sandwich. Due to the cashless system in place, there is no other back up.

We do not want any student to miss lunch or the great choice of food available every day in our restaurants. Our chefs work hard each day to provide a variety of delicious meals for the school.

Your message will be forwarded to the member of staff concerned.

You can also now reply directly to any message you receive from the school via Bromcom, just hit the reply button and it will go to the office.

Students can contact their teachers via Satchel One if they have any queries regarding their lessons.

Please do not email staff directly as any message received in this way will not receive a response.

Many thanks for your understanding.

Stay Hydrated Bring a Bottle!

As the weather warms up, it's important that all students stay hydrated throughout the day. Students should remember to bring a reusable water bottle to school each day. Students can refill bottles at the filtered water machines around school or use the fresh water fountains located outside the Justin Welby Building and the Carey Building if they just want to drink from a spout.

If anyone forgets a bottle or doesn't have one, they can request a second-hand bottle from Main Reception. These bottles have been in lost property for over six weeks and are being recycled for student use. They have been thoroughly cleaned, sterilised and can be used safely. Let's reduce waste and stay refreshed!

Please note: Students are not permitted to leave lessons to fill up water bottles. Refills should be done during break or lunch times only.

Thank you for helping us keep Becket Keys a healthy and respectful learning environment!

Tennis Tournament Year 9 & 10

On Monday 9th June, four students from Becket Keys represented the school in a competitive doubles tennis tournament hosted at Brentwood School. The event brought together Year 9 and Year 10 pairs from eight different schools, creating a high-energy day of exciting matches and impressive sportsmanship.

In the Year 10 girls' competition, Imogen Hutton and Nina Linnecar delivered a superb performance, finishing 2nd overall. The pair showed great composure and consistency, winning every match they played bar one—including strong victories over Brentwood School and St Martins. Their only loss came in a closely contested match against the eventual champions, Chelmsford College, making their silver-medal finish well deserved.

Over in the Year 9 boys' division, Ollie Pallet and Drew Hodges represented Becket Keys with determination and grit. They faced several tight matches, many of which came down to the final few points. One of the highlights was their dramatic sudden-death victory against Shenfield, which secured them a 3rd place finish overall.

Tennis

Year 7 & 8

Our Year 7&8 underwent a competitive trial to make it to the Brentwood District Tennis Tournament on Tuesday.

Our teams consisted of:

Year 7 Boys - Matthew Malatsi & Zac Nicolls

Year 7 Girls - Lucy Gemmill & Brooke Perkin

Year 8 Girls - Hollie Wylie & Immy Ellis

Year 8 Boys - Jacob Van Der Lith & Sam Whittaker

Year 8 Boys - Charlie & Freddie Westwood

All years faced some tough competition in their tournaments and demonstrated both high quality tennis and impressive doubles teamwork! A thoroughly enjoyable event - well done all!

Year 7 girls - won 3

Year 7 boys - won 1

Year 8 girls - won 4

Year 8 boys - came 6th and Charlie and Freddie Westwood - won 1 match.

Boys' Rounders

In a turn of events, Becket Keys has their first all-boys rounders team! These students have been attending club regularly and despite the lack of a league, we endeavoured to get them some friendlies in the build-up to a tournament.

This game did not disappoint! With some variations to the batting and fielding team in the 2nd innings, the boys fell into a groove and managed to cut the other teams' rounders down by half - a great achievement! Our batting game was strong, but some misjudged runs meant a lot of the team were out after their first bat.

The most enjoyable game, played in good spirits, lots of smiles and some very high-quality rounders! Next step: revisit the rules, know when to take the risks, and put ourselves in the right positions to start with.
