YEAR 9 TRIP TO CHINA

IN THIS ISSUE

Mr Scott-Evans writes.....

Parents Always Welcome: Join Us for Worship and Prayer

At Becket Keys Church of England School, our Christian foundation is central to everything we do. As a praying Eucharistic community, we are committed to nurturing the spiritual life of our students, staff, and families. We warmly invite parents and carers to join us in worship and prayer, sharing in the rhythm of our school's spiritual journey.

Our school Bible verse, John 15:16–17, reminds us of our calling:

"You did not choose me, but I chose you and appointed you so that you might go and bear fruit—fruit that will last—and so that whatever you ask in

my name the Father will give you. This is my command: Love each other."

This verse inspires our community to live out our faith through love, service, and prayer. We believe that gathering together in worship strengthens our bonds and helps us grow in faith.

Friday Eucharists – 1:00pm in the John Wraw Chapel

Each Friday, we celebrate the Eucharist at 1:00pm in the John Wraw Chapel. This sacred time of communion is at the heart of our school's spiritual life. Parents and carers are warmly encouraged to attend. Please report to Main Reception on arrival, and a member of staff will guide you to the chapel.

Drama Department

Year 13 drama students had their NEA practical performance this week to an invited audience. They were required to craft a piece of theatre in the style of Stephen Berkoff.

It was an excellent performance from some of our talented students and they received some great feedback from some of the audience members.

I had the honour of watching the Year 13 A-level drama performance and it was nothing but an absolute masterpiece, taking the audience on an emotional journey through fear, confusion, and laughter. As an A-level fine artist, it was a delight to see how different creative forms can tackle such profound and controversial topics.

The play skillfully explored themes of greed, guiding the audience through a narrative that touched on the events of Boris Johnson and the COVID pandemic, the growing autonomy of AI, and the dark side of Hollywood.

A huge congratulations to the entire cast and crew. Your hard work and dedication truly paid off, resulting in a phenomenal show. A special thank you to Mrs. Barr and Mrs. Palmer for providing our actors

I really enjoyed watching the year 13 A-level Drama performances. I thought their movement and soundscapes were impressive. I will look forward to doing something similar myself next year. Well done Year 13.

Year 9 – Trip to China

This July, our Year 9 Mandarin Excellence Programme (MEP) students had the incredible opportunity to visit Beijing Language and Culture University—one of China's most prestigious institutions for teaching Chinese as a foreign language.

Each morning, students took part in intensive, immersive Mandarin lessons, fully surrounded by the language and guided by experienced native-speaking teacher. Their progress was remarkable—not only in vocabulary and grammar, but also in confidence and fluency. By the end of the programme, many were comfortably navigating real-life conversations in Mandarin.

Afternoons were filled with cultural activities that brought China's rich traditions to life. Students joined in square dancing, experienced traditional Chinese sports and games through a fun-filled sports carnival and even had the chance to visit a local Chinese secondary school, gaining a deeper understanding of school life in China.

Our cultural exploration didn't stop there. We challenged ourselves to climb the Great Wall of China—a journey that brought the ancient proverb "不到长城非好汉" ("One who has never been to the Great Wall is not a true hero") to life. I'm proud to say: we are all heroes now.

What truly stood out, beyond the sightseeing and study, was the spirit of the students. They embraced every challenge, every difference, and every moment with curiosity and enthusiasm. By the end of the trip, not only had they made lasting memories, but they had also forged deeper connections with the language and culture of China.

Perhaps most impressively, the impact of the trip has continued long after our return. From the very first week of the new term, it was clear: students came back with renewed motivation and an even stronger work ethic. They brought back not only souvenirs, but also a sense of dedication and perseverance—values deeply rooted in Chinese learning culture.

We are immensely proud of what our students have achieved, and even more excited to see how they continue to grow on their Mandarin journey.

Mrs Zhang
Head of Mandarin

I had a great time in China, not only because of the things I experienced but the better friendships I have made. The food in China was immaculate especially at the hotel. We all had a chance to visit some of the most famous places in China like Great

Wall of China and walking through the Forbidden City, it really was an unforgettable experience. When we were inside the university, I felt very welcomed by the local students. I learnt a lot of new and different things in China which was great. It was also nice to see all the historical artifacts in China. It is an experience I will never forget.

Helet Van Der Lith

China was the most exciting and awesome trip! First, the flight was long but the movies kept me occupied. From the moment I stepped off the plane I realised I was finally in China and couldn't wait for the fun memories and exciting day trips! When we were on our way to the hotel every sign and everything was in Chinese which was very confusing but also interesting.

Once we had settled in the hotel the next day we arrived at the university. The teacher was very kind and helpful. After finishing our lessons we were introduced to the culture and food. The food was very flavourful and delicious.

Some examples of the food we tried were stuffed pork/beef buns (at breakfast), noodles, a lot of rice, sweet and sour pork, fresh fruit and duck.

The highlight of my trip was climbing the Great Wall of China! I was left in awe, after standing on history. It was so wonderful to look ahead and see the mountains in the distance and to look back to see the small and unique villages. I also enjoyed the haggling and got some pretty good prices. We also went to the Forbidden City, and it was really something unique to see, but I would for sure get lost in the temples!

Overall, China was an unforgettable experience and a trip of a lifetime. I would gladly go back to visit China again!

Christian Ludwig

On the 2nd of July 2025, we were on a plane to China. There was a lot of jet lag, but we slept through it. First, we went to Beijing language and Culture university, and we studied Chinese there. There was a buffet filled with Chinese food but some of it wasn't to my taste. The tables were very cool as they were spinning tables. Then, we went to some convenience stores to buy fruit and bubble tea. We visited the school for about a week, and we did traditional Chinese activities.

We also got a tourist guide to take us to climb the Great wall, and we took some photos there. On

another day we went to the forbidden city, which was very large and pretty. We also ate Beijing duck lots of times during the visit. Then we went to street market and shopping complexes where we could buy gifts and souvenirs and more food, because the food is delicious!

At the end of the visit, we came back on the plane and ate some very dull airplane food. We were very tired and slept the next day

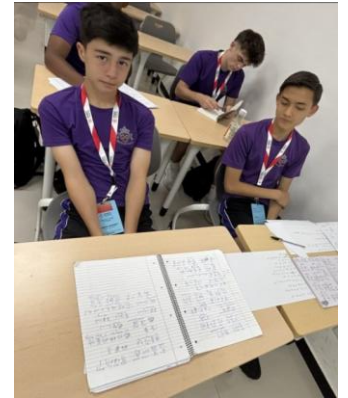

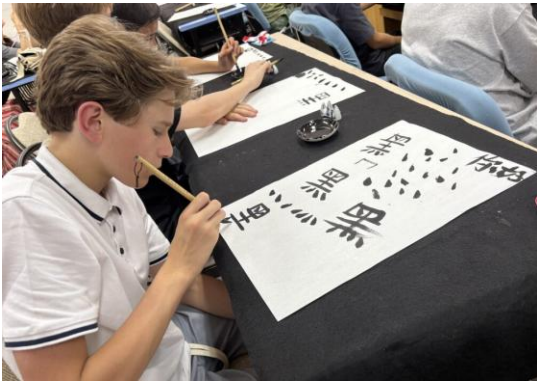

Bhavana Chatti

I thought China was amazing, the markets had delicious food and the activities in the universities were always fun. The hotel was clean and had decent sized rooms, the breakfast in the hotel was very nice and the lessons in the university were very interesting as I learnt a lot and had fun at the same time. Even though the food at the university wasn't to my taste, the prices were cheap at the convenience store.

The excursion trips were the best days such as the Great Wall of China and the Forbidden city because it was a once in a lifetime experience as I am not likely to go again, the lunch and dinner at the restaurants were delicious every time. In my opinion China was one of the best school trips and I enjoyed it a lot.

Meet Some New Staff

WELCOME

Mrs Heron PE Teacher

I began my PE teaching career in 2009 at Brentwood Ursuline, working as part of a busy department in a school with a successful extra-curricular programme at county/national levels. Outside of PE I held additional responsibilities including Deputy Child Protection Officer and Head of House. After five years working at Brentwood Ursuline I wanted a new challenge and so took on a leadership role as Head of Department at Loxford School, a large school in Ilford with over 3000 students.

I have recently taken some time out of teaching to build and raise

my young family. With three kids and an elderly labrador life is hectic but full of laughs and never a dull moment!

Outside of work I have always loved keeping fit and healthy through sport, playing netball competitively and recently receiving a charity place to undertake my first Marathon in London next year – **look out for a sponsorship request coming soon!** I have completed 3 half marathons and one more coming up next month, but the thought of running double that distance is very daunting!

I am excited to be part of the dynamic and successful PE team at Becket Keys and looking forward to contributing to the department's continued success.

Zak Amachree Year 13

The London Philharmonic Orchestra have an annual annual orchestral experience programme, supporting talented players aged 15-19 from backgrounds currently under-represented in professional UK orchestras.

The LPO believe that talent is indiscriminate, yet people from some backgrounds and communities continue to be under-represented in the orchestral sector. The LPO are actively working to promote diversity and inclusivity in the classical music industry, leading eventually to a sector that is more reflective of the wider population.

This year we are delighted to announce that one of our Year 13 Becket Keys students, Zak Amachree has been awarded a place on this prestigious programme.

Late Gate

*Early is on time,
On time is late,
And late is unacceptable!*

At Becket Keys, we look to ensure that we are preparing students for life beyond school. We encourage students to attend school regularly and on time.

Remember that the school gate closes at **8.25am**. This allows students enough time to be at their first lesson on time. Period 1 begins at 8.30am.

Brentwood can be tough to negotiate during rush hour, so we encourage students and parents to contact the school in the case of **genuine** lateness, such as delayed public transport.

Parents can call the main school line 01277 286600 or use the "Studybugs" app.

We thank you for your support.

Not all monsters come out at night

In a creaky old house on a small, damp island, someone – or something – is waiting...

A grieving family. A decaying house. A babysitter with a monstrous secret. Nothing on Gloam Island is quite what it seems...

Gwen's used to looking after her younger siblings – so when they move to their grandmother's old house after their mother's death, she's confident that they don't need Esme Laverne, the beautiful new babysitter with the hungry eyes and sharp teeth. But if Gwen wants Esme gone, she'll have to handle it herself.

As Esme's powers slowly reveal themselves, the children must face their own fears to have any hope of banishing the monstrous intruder ...

Because as everyone knows, it's impossible to be brave unless you're already afraid.
