## IN THIS ISSUE

**Mr Scott-Evans writes.....**

### Join the Team!

Thank you to the many parents who have written in offering support for our school – it is always greatly appreciated. Right now, there are several exciting ways you can get involved:

#### Become a Governor

We are currently recruiting for a new Governor. This is a fantastic opportunity to make a real difference in the life of our school. Please see the separate letter for full details.

#### Support Our Sports Programme

Do you have a passion for sport? We are looking for parents to help coach rugby, football, netball, basketball, hockey, or any other

winter sport. If you'd like to join our extra-curricular sports team, please complete the volunteering form using the link below:

[Application form Volunteer \(004\).doc](#)

#### Food Technician Vacancy

We are also recruiting for a Food Technician. This is a lovely role, three days a week (8:00am – 4:30pm), supporting a subject that students love!

Working at Becket Keys comes with the added benefit of a guaranteed place for your child (if you work here for 2 years). If this role isn't for you, perhaps you know someone who would be interested? Please direct them to our website for details.

## Volunteer in Other Departments

Could you share your skills in Art, Textiles, Science, or DT? Please indicate your area of interest on the application form.

Many volunteers later move into paid roles, so this could be a great first step. We also regularly need volunteers to help invigilate exams – even just for a day or two. This saves the school money and is a rewarding way to support our students.

## A Chance to Serve

Many Christians see volunteering as a way to serve God's kingdom and pray for our students. We welcome this wholeheartedly.

"Whatever you do, work at it with all your heart, as working for the Lord, not for human masters." – Colossians 3:23

## Cleaning and Catering Roles

There are often vacancies in our cleaning and catering teams (managed by external companies). Many parents and alumni already serve the school in these roles. If you're interested, please email us at [office@becketkeys.org](mailto:office@becketkeys.org), and we'll connect you.

## Have Other Skills to Share?

If you have expertise in an area not listed here, we'd love to hear from you! Please get in touch with your ideas:

<https://becketkeys.org/contact-staff>

Thank you for considering how you can support our school community. Every contribution makes a difference!

Have a wonderful weekend,

Headteacher

## EXAM INVIGILATORS REQUIRED!

We are currently looking for Exam Invigilators and Lead Exam Invigilators to join our team for the 2025/26 academic year.

You can work flexible hours while supporting the school and our students through their GCSE and A Level exams.

Please see the [vacancies page](#) of our website for more details and how to apply.

Deadline for applications is Friday 3<sup>rd</sup> October 2025.

## Music Department

### Hitting the high notes!

Last night's chamber concert marked the opening to the school's musical calendar, showcasing the talent of our sixth form students. With a diverse programme including piano solos, cello, saxophone, drum, guitar, and vocals, the evening offered something for every listener. We look forward to our next chamber concert in November with some of the students from the lower school. Another event taking place next term will be the eagerly awaited House Music Competition featuring all Year 7 students. Further information to follow.

It was an excellent performance from some of our talented students and they received some great feedback from some of the audience members.

## Mrs Komath Science Teacher

I am Mrs. Komath, and I recently joined the Science Department after completing my training here at Becket Keys. From the very beginning, I have felt encouraged by the supportive staff and inspired by the positive environment the school provides.

I am passionate about science and aim to create that same interest in my students. After teaching engineering graduates at university, I realised that my true love lies in working with younger learners, which led me to secondary education. I am excited to share my enthusiasm for science and to contribute to this vibrant school community.

## Previously Looked After Children

If your child has previously been in the care of a Local Authority in England or Wales and has an adoption, Special Guardianship or Child Arrangements Order, they are entitled to extra support through Pupil Premium Plus funding. Currently, the amount is £2,630 per student and it must be spent to improve outcomes for previously looked after children. It is important to note that the funding is not ring-fenced for the individual child, which allows the school flexibility to ensure it has maximum impact. As the parent or carer, you must declare your child's status and provide evidence of the legal order to us in order for us to claim the funding. You and your child are also entitled to support from our Designated Teacher (Mrs Claire Dowsett), and from the Essex Virtual School. If you wish to have a conversation about your child, we will treat the information with the strictest confidence. Please contact the school by Friday 24<sup>th</sup> October to confirm your child's status by phone on 01277 286600 or by email [office@becketkeys.org](mailto:office@becketkeys.org).

### We are the Mental Health Support Team!

**It's good to talk!**

Talking to us can help stop difficulties from spiralling so you can enjoy school, time at home and time with friends and family.

**Dealing with anxiety and low mood**

Overcoming anxiety and low mood can be hard. But taking time to stop and learn how to manage anxious feelings, challenge unhelpful thinking and improve your mood can enhance your emotional wellbeing.

**You are not alone**

It's ok to not be ok. The MHST are specially-trained to help you with your emotional wellbeing. It is helpful to share your worries with someone you trust so you can work through your difficulties together.

**Accepting that challenges are a part of life**

Most people experience emotional difficulties at some point so it's important for you to acknowledge when this is happening and talk about it. This can help you understand how it affects your life. **Remember, these feelings will pass.**

The Mental Health Support Team are here to provide support to all children, young people and their families with emotional wellbeing in schools and colleges. To find out more about the service, scan the QR code to visit our website or talk to school staff.

## Late Gate

*Early is on time,  
On time is late,  
And late is unacceptable!*

At Becket Keys, we look to ensure that we are preparing students for life beyond school. We encourage students to attend school regularly and on time.

Remember that the school gate closes at **8.25am**. This allows students enough time to be at their first lesson on time. Period 1 begins at 8.30am.

Brentwood can be tough to negotiate during rush hour, so we encourage students and parents to contact the school in the case of ***genuine*** lateness, such as delayed public transport.

Parents can call the main school line 01277 286600 or use the "Studybugs" app.

We thank you for your support.

## Book of the Month - September

Not all monsters come out at night

In a creaky old house on a small, damp island, someone – or something – is waiting...

A grieving family. A decaying house. A babysitter with a monstrous secret. Nothing on Gloam Island is quite what it seems...

Gwen's used to looking after her younger siblings – so when they move to their grandmother's old house after their mother's death, she's confident that they don't need Esme Laverne, the beautiful new babysitter with the hungry eyes and sharp teeth. But if Gwen wants Esme gone, she'll have to handle it herself.

As Esme's powers slowly reveal themselves, the children must face their own fears to have any hope of banishing the monstrous intruder ...

Because as everyone knows, it's impossible to be brave unless you're already afraid.

A spine-chilling story for fans of Stranger Things and A Monster Calls.

Remember that the Book of the Month is available to borrow from the school library.

### Year 7 Girls' Football

The Year 7 girls played their first game against Brentwood School and showed fantastic spirit throughout. It was a very close and competitive match, with both teams working hard. After finishing level at full time, the game went into extra time where the girls showed great determination to score the winning goal, securing a 2–1 victory.

This brilliant result means the Year 7 girls are through to the next round of the cup — an excellent achievement in their very first match!

Hattie Rickets  
Evan Withers  
Erin Stanford

Isla Shand  
Amelie Borg  
Abisola David

### Under 16 Boys' Rugby

The U16 rugby team took part in the Essex Schools' Rugby Festival this week, competing in a pool with four other schools. It was their first set of games this year,

and the team worked hard throughout the day. Out of the four matches played, the team came away with two wins and two losses. Each game was competitive, and the team showed real effort and teamwork, improving as the day went on. The following students represented the school in this festival:

#### Year 10:

Harrison Blake
