The Post

It is an exciting time in the Science department at Becket Keys Church of England School. Despite the fact that no one is leaving the team, we have decided that now is the time to further increase the size of our staff group to reflect the increasing demand for triple Science and A Level Sciences. This role provides the opportunity for an experienced teacher or a newly qualified one to join our team with a view to rapidly moving into the A Level teaching team preferably for Chemistry or Physics.

If you get along well with other people and if you enjoy working with highly motivated students, we want to hear from you!

Science is one of the strongest departments in the school and consistently delivers exceptionally high standards in both progress and attainment terms. Students thoroughly enjoy Science lessons at this school with good numbers continuing to A Level. Students are taught a highly practical hands-on curriculum to ensure they develop lab skills alongside superb curriculum knowledge. We are supported by the Russell Education Trust and the successful candidate will have regular support, assistance, and guidance from our excellent senior science adviser on a weekly basis.

We have a lot of information about the school on the website, but we are also keen to welcome applicants to come for a tour and a face-to-face meeting with the head of department.

If you would like a conversation about the school or the position, please email us at vacancies@becketkeys.org.

We reserve the right to close advertisements early. Advertisements will therefore close at 12 noon, either on the advertised closing date, or the day the decision has been taken to close the advertisement early.

Becket Keys is committed to safeguarding and promoting the welfare of children and young people. The successful candidate will be subject to an enhanced DBS check.

The appointee will be committed to our high expectations and core values – we welcome applications from teachers irrespective of their faith or belief. However, we ask for applicants to appreciate and respect the beliefs of others and have strong moral principles.

Staff of the school benefit from priority admission for their children. Our admissions policy effectively guarantees staff a place in the school for their children. With over 800 applications for our 150 places each year, this is a significant perk! In addition, staff will be provided with a comprehensive induction programme and laptop, childcare vouchers are available, and an excellent neighbouring provision offers discounted rates for staff members.

To Apply

Please complete both our application form and equalities monitoring form and email it with a personal statement to vacancies@becketkeys.org.

Becket Keys is committed to safeguarding and promoting the welfare of children and young people. The successful candidate will be subject to an enhanced DBS check.

Closing date:

Noon, Friday 7th February 2025

Please apply promptly as interviews will be held as soon as possible (including before the closing day if the school decides the field is strong enough).
